

NEW HIRE ANNOUNCEMENT

Shore Point Architecture, P.A. is pleased to announce the addition of Angelica Arent to our firm. Born and raised in Mexico City, Angelica began her study of architecture at the Universidad Iberoamericana in Mexico City, where she earned her Bachelor of Architecture - Accredited by The National Architectural Accrediting Board (NAAB) through EESA-NAAB. She is a licensed/registered Architect in Mexico and is currently pursuing Architectural Licensing through the National Council of Architectural Registration Boards (NCARB).

With over 14 years of experience, her range of project types includes design, planning and management services for commercial and high-end residential. Attention to detail and sensitivity to program integration play an important role in all of her projects. Angelica makes sure to work collaboratively with clients and consultants and is involved throughout all phases of the project to ensure the design integrity remains from conception to completion.
